Announcement

A splendid herd of Short Horn cattle have been maintained at Country Side Stock Farm for about twenty years. The first breeding matrons were procured from the F. A. Schaefer herd, and later from time to time a few choice females have been added. It was always my endeavor to buy only cattle of high merit and outstanding quality from some of the leading herds of the country. The best sires obtainable have been used in the herd. Straight Goods has been used in the herd the past five years with good results and, unfortunately, we lost him last summer. He is regarded by many competent judges as being one of the greatest sires in Iowa. At maturity, in breeding form, he was a bull weighing around 2350 pounds, displaying unusual scale and ruggedness, connected with great fleshing quality and smoothness. He stamped his likeness on his progeny. His breeding is strongly represented throughout the offering. The sixteen calves in the sale are sired by him and a number of the females safe in calf to his service. Since his death one of his best sons, namely, Perfect Goods, has been used considerably, being assisted by an impressive young son of the \$6,300 Imp. Royal Diamond. I have always found a ready demand for the get of Straight Goods, therefore have never made a public sale. This auction will include the cream and foundation of Country Side Stock Farm. Only a dispersion sale offers cattle of such producing ability. Many are listed in this event that have heretofore been priceless. There will not be any female of breeding age that has not been a producer and I will not knowingly present an animal but what I consider a breeder. It is with regret that a dispersion sale is necessary and I present for your approval a rich lot of pedigrees and choice individuals.
